AWS Certified Cloud Practitioner Exam is the most basic AWS certification exam for individuals to demonstrate an overall understanding of AWS Cloud.. This is the first AWS related certification exam I took, and I studied for a total of 3 months, with “serious studying” occurring in the last 2 weeks of it.

This very thing—that a next action should be the next physical, visible action to move the project closer to its goal—is perhaps the most important “rule” in GTD. By using a few extra seconds to come up with what physically needs to be done, you make sure that your “next action” lists will only contain the things you can choose to do at any moment.
