Double Bass Solo from Mahler's Symphony #1. In this lesson Lauren Pierce teaches one of the most famous bass solos from the orchestral repertoire. It's taken from Mahler's Symphony #1 at the start of the third movement and I'm sure you will recognise the tune!

Double Bass Solo from Mahler Symphony #1

Tag Archives | bass solo lesson. Expand Your Creativity In Bass Solos By Avoiding The Root. One big problem that bass players run into when they start to improvise is always coming back to the root over and over again. This makes sense, right? That's what we're doing most of the time when we play bass lines, so this habit carries over into ...
