Surely you've seen Stanley Kubrick's version of *A Clockwork Orange*. But have you seen Andy Warhol's? Anthony Burgess' 1962 novel of the robust culture of teenage violence in our freakish dystopian future caught the eye of not just the man who had previously made *2001: A Space Odyssey*, but that of the man who had previously made the eight-hour still shot *Empire* as well.

incommensurability. Incapable of being measured against a common standard. The presumed incommensurability of individual human pleasures is sometimes raised as an objection against hedonistic versions of utilitarianism. Feyerabend and Kuhn suppose that rival scientific theories are incommensurable if neither can be fully stated in the vocabulary of the other.

Sex and sexuality are hot topics. Cheap trashy newspapers are full of it, rumour and gossip centre on it, lawmakers deliberate over where the limits of expression are, and sociologists try to get as much of it into their studies as possible wherever there is the slightest link to it in their research. The porn industry is the oldest enterprise known to mankind, and it fuelled (and largely paid ...

French literature - The 16th century: The cultural field linking the Middle Ages and the early modern period is vast and complex in every sense. Chronologically, there is no simple or single break across the turn of the century, though there is indeed among many writers of the period the sense of a cultural rebirth, or Renaissance. The term, first used during the 18th century, was given ...
