The Renaissance of the 12th century was a period of many changes at the outset of the high Middle Ages. It included social, political and economic transformations, and an intellectual revitalization of Western Europe with strong philosophical and scientific roots. These changes paved the way for later achievements such as the literary and artistic movement of the Italian Renaissance in the 15th ...

About Zecharia Sitchin. One of the few scholars able to read and interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) based his bestselling The 12th Planet on texts from the ancient civilizations of the Near East. Drawing both widespread interest and criticism, his controversial theories on the Anunnaki origins of humanity have been translated into more than 20 ...

Johannes Kepler used the concept of the music of the spheres in his Harmonice Mundi Harmony of the Worlds in 1619. Kepler was convinced "that the geometrical things have provided the Creator with the model for decorating the whole world." In Harmony, he attempted to explain the proportions of the natural world - particularly the astronomical and astrological aspects - in terms of music.
