### **Chinese Art and Its Encounter with the World: David Clarke ...**

This book offers a bridge into the critical understanding of modern Chinese art through its encounter with the world beyond China's borders. It demonstrates Chinese art's interconnections with Western cultures while exploring its inherited cultural traditions and internal historical change. The first section deals with the cross-cultural trajectories of individual Chinese artists who travelled ...

With his diverse activities (he has been part of the Hong Kong Arts Development Council and Hong Kong Arts Centre, currently chairing the academic committee of the Centre's Hong Kong Art School; he is also a photographer ...

### **David Clarke, Chinese Art and Its Encounter with the World**

This book examines Chinese art from the mid-eighteenth century to the present. By means of a series of closely-focused case studies, often introducing previously marginalized aspects of Chinese visual culture, it analyzes Chinese art's encounter with the world, arguing that we cannot fully understand modern Chinese art without taking this larger global context into account.

### **Chinese Art and Its Encounter with the World - Books Pics ...**

By means of a series of six closely-focused case studies, often deliberately introducing non-canonical or previously marginalized aspects of Chinese visual culture, it analyzes Chinese art's encounter with the broader world, and in particular with the West.

### **David Clarke, Chinese Art and Its Encounter with the World ...**

David Clarke's Chinese Art and Its Encounter with the World is composed of six essays in three sections: "Trajectories: Chinese Artists and the West," "Imported Genres," and "Returning Home: Cities between China and the World." Earlier versions of five of the essays have appeared before, as has some of the information in the first. It is a good idea for a scholar to bring ...
