Coast is a BBC documentary series first broadcast on BBC Two television in 2005. A second series started on 26 October 2006, a third in early 2007 and a fourth in mid-2009. It covers various subjects relating to both the natural and social history of the British coastline and also more recently, that of Britain's near neighbours. A fifth series was aired in 2010, followed by a sixth in 2011.
