You know what's up when you see the Reserve Bolt Zeus Magnum. Built with power and strength and imposing attitude, it's an undeniable force on your wrist. With the classic cable around the bezel, it muscles through every day with subdials, a date window and luminous accents. Oh, and a secondary dial below 6:00. Do dual time at all times with the Reserve Bolt Zeus Magnum.

Invicta has always blazed its own trail. And that's never been more true than with this Bolt Zeus Tri-Cable timepiece. Exclusive out of 5000, this watch boasts a 52mm case, so everyone can see what

makes it so intriguing - its dial. Red, yellow and green cables accent the unidirectional bezel to draw your eye in to appreciate a sunken dial covered with cannabis leaves.

All of our heaters have: Stainless steel elements for long life. Large rock capacity for heat storage. Direct rock contact with heating elements-necessary to filter the harsh heat radiating from the 1400° F elements, to eliminate the electro magnetic field for safe and therapeutic bathing: (the bather feels only pleasant, soft heat) and to produce the best steam when water is poured over them.
