The greatest Bible teacher of all time was the Lord Jesus Christ, and when He wanted to teach His friends about Himself and His great plan for the world, He began by teaching them the book of Genesis, the first of the books of Moses. That is one reason why we at the Institute for Creation Research have placed so much emphasis on this particular book, especially its early chapters with their ...

Ancient Chinese pictographs are silent witnesses, like fingerprints, of historical events reported in Genesis. In particular, the details of these word-symbols are clues that point to how the earliest Chinese must have known basic facts of Genesis 1-11 at the very time their pictographs were invented. Chinese is not an alphabet-based language—its word characters are both abbreviations of ...
