Opus the Penguin (Opus T. Penguin) is a fictional character created by artist Berkeley Breathed. Breathed has described him as an "existentialist penguin" and the favorite of his many characters. Opus has appeared in several of Breathed's creations, most notably his 1980s comic strip Bloom County. Breathed also included Opus in the sequel strip to Bloom County, Outland, and later made him the ...

Hi there, Thanks for the pattern, this penguin is so cute. Took me ages to finish him because i got stuck at the part where you attach his front to his back, I left it for months and finally came back to it yesterday:) I just sewed him up any old way and you can tell when you look closely haha but at least he is finished now.

We love to learn through play, especially when numbers and math are involved, so it will be no surprise to hear that this penguin math and counting game is a huge hit with my kiddos! I love to see them so excited about playing with numbers. I also love activities that are easy to prep and can be used in multiple ways so I am thrilled to share this free printable number game with you!
