Is Australia The Lucky Country

The Lucky Country. The Lucky Country is a 1964 book by Donald Horne. The title has become a nickname for Australia and is generally used favourably, although the origin of the phrase was negative in the context of the book. Among other things, it has been used in reference to Australia's natural resources, weather, history,...

The Lucky Country - Wikipedia

"Australia is a lucky country run mainly by second rate people who share its luck. It lives on other people's ideas, and, although its ordinary people are adaptable, most of its leaders (in all fields) so lack curiosity about the events that surround them that they are often taken by surprise.". Essentially,...

Is Australia still the Lucky Country? - BBC News

, lived in Australia (1975-2005) The quote 'The Lucky Country' was penned by Donald Horne, a famous (or infamous) historian in the 1960s. His actual full meaning was quite derogatory: Australia is a lucky country run mainly by second rate people who share its luck.

Why is Australia considered a lucky country? - Quora

Chief executive of The Smith Family, Dr Lisa O'Brien, tells SBS that although many Australians are being afforded the opportunities that go hand-in-hand with the luck of a developed country like Australia, there are many others who miss out. "I think in many ways, we still are the lucky country,..."
