### **Amazon.com: Customer reviews: Mental Capacity Act Manual**

The manual has a lot of useful case law and also points out the many flaws in the Act. Jones has put in an amazing amount of work into this book which is shorter than his Mental Health Act manuals but still comprehensive and useable. I would recommend this to anyone working in the area of mental capacity, mental health, law, social work and more.

### **Mental Capacity Act Manual: Amazon.co.uk: Richard Jones ...**

Mental Capacity Act Manual. This book shows how the Mental Capacity Act 2005 interacts with the Mental Health Act and clarifies where each act applies. It covers mental capacity in both clinical and care scenarios, and sets out the obligations of carers under the Act and in particular the obligations to assess capacity.
