

Performance Based Logistics A Contractor S Guide To Life Cycle

Performance Based Logistics A Contractor

Performance-based logistics (PBL), also known as performance-based life-cycle product support [citation needed] or performance-based contracting, [citation needed] is a strategy for cost-effective weapon system support. Rather than contracting for the acquisition of goods and services, the product support manager identifies product support integrator(s) (PSI) to deliver performance outcomes as ...

Performance-based logistics - Wikipedia

Performance based contracting (PBC), also known as performance-based logistics (PBL) or performance-based acquisition, is a product support strategy used to achieve measurable supplier performance. A PBC approach focuses on developing strategic performance metrics and directly relating contracting payment to performance against these metrics. Common metrics include availability, reliability ...
