Philosophy Hope Springs Eternal

A tree is perhaps our most intimate contact with nature. Each tree springs from a tiny seedling; the greatest, like the thousand-year-old Yakusugi, have witnessed the entire history of modern man in a single life.

Philosophy — George Nakashima Woodworkers

Hope is an optimistic state of mind that is based on an expectation of positive outcomes with respect to events and circumstances in one's life or the world at large. As a verb, its definitions include: "expect with confidence" and "to cherish a desire with anticipation." Among its opposites are dejection, hopelessness, and despair.

Immanuel Kant (1724-1804) Kant's most original contribution to philosophy is his "Copernican Revolution," that, as he puts it, it is the representation that makes the object possible rather than

the object that makes the representation possible [§14, A92/B124, note]. This introduced the human mind as an active originator of experience rather than just a passive recipient of perception.
