### **Disentanglement | Puzzle Solutions**

Guess there is always the theory than you can cut the rope and rejoin it at any time so you do have the ultimate safety net so to speak. There are many different types of string or rope disentanglement puzzles, and several categories of them can be identified based on their general solution idea.

### **Disentanglement - Wood & Rope - Mr Puzzle**

Ready for a head-scratcher? The burning rope problem is a logic puzzle that doesn't require much math, or even pen and paper. Just the ol' noggin. It's a fun — if not infuriating — one to try out with friends and family. Just make sure you can solve it first. This problem was originally found on the Math Meeting YouTube channel.

### **Can You Solve the Burning Rope Logic Puzzle?**

Rope Puzzles These classic Disentanglement puzzles, retain a fascinating charm and their solving divulges a fascinating history. We hope our pieces preserve their inherent charm, hand worked, hand finished - built to last then and now.
