

The Choctaw Stickball Players Of The South America S First

The Choctaw Stickball Players Of

While, Choctaw stickball equipment has changed a little bit with each new generation of players, certain basics remain the same. The ball is round and covered in leather. The sticks are made of hardwood (often hickory), and laced with strips of leather. The equipment shown on the following pages represents some of the earliest surviving examples.

Stickball | Choctaw Nation

Choctaw stickball: Fierce tradition 'all about the love of the game'. All the athletes, some barefoot and some wearing sneakers, hold sticks, which many click together with the beat of the drums. As the teams, 50 players strong, begin to pass one another in single file, they click one another's sticks instead of shaking hands.

Choctaw stickball: Fierce tradition 'all about the love of ...

The roots of stickball run deep in Choctaw culture. The fiercely competitive game - played long before there was football, baseball and basketball - is played with sticks and a small orange ball. Mississippi Today photographer Eric J. Shelton captured the action from the World Series of Stickball, played annually at the Choctaw Indian Fair, [...]

Choctaw take pride in stickball - 'the granddaddy of all ...

Stickball games dwindled in the early 1900s but were revived by the Choctaw Fairs starting in 1949. Stickball is currently played in four fifteen-minute quarters, and additional rules exist about play. Choctaw craftsmen still create handmade sticks and balls, and players wear traditional Choctaw patterns on their uniforms.
