Woodward editorship. The series originated in the 1950s with a plan laid out by historians C. Vann Woodward and Richard Hofstadter for a multi-volume history of the United States, one that would provide a summary of the political, social, and cultural history of the nation for a general audience. The project proved to be more challenging than initially envisioned.

This book recounts the story of the Indian freedom struggle from the Great Revolt of 1857 and the attainment of independence in 1947. While mentioning most of the principal actors and events, the volume focuses more on the aims and development of Indian independence rather than on personalities and ideologies. The book covers the decline of the Mughal empire, establishment of British rule, the ...
